- The Tasmania Bands League will pay for all tutor costs, performance costs and the bus from Port Sorell to Campbell Town. The TBL will also organise a bus from the Redline Bus depot in Devonport to Port Sorell Camp should there be sufficient interest.
- The TBL endeavours to keep costs for participants as low as possible - at this stage the cost will amount to approximately \$50 per person per day for accommodation and food at Camp Banksia (from dinner on June 13 through to breakfast on June 17). In addition, the TBL will offer a limited number of scholarships to subsidise financially where this assistance can be proven to be required.
- Brass and Concert Band players are welcome. James Brice will conduct both ensembles, with tutorials scheduled for players at the times when they are not in rehearsal. Tutorials will be run by leading Tasmanian Band directors.
- Acceptance letters will be forwarded at the end of January once the numbers and the costs for participants have been finalised.
