Mr David Roffe

Dip Teach. Grad Dip Mus Ed. Grad Dip Expressive & Performing Arts. A.A.C

Mr David Roffe has worked with the NSW Department of School Education for the past 20 years. Originally trained as a Primary School teacher, he followed up with post-graduate studies in Expressive and Performing Arts at the University of NSW and a post-graduate diploma in Education Studies at the NSW Conservatorium of Music. He developed his conducting through The Australian Band and Orchestra Directors Association where he studied conducting under Robert Rosen and Jerry Nowak. Currently he is the Musical Director of The Georges River Concert Band. David developed the highly successful Connells Point Public School Band Program. This program now boasts over 100 players in two ensembles. The band regularly toured the East Coast of Australia and was used by the Department of Education as a show band for visiting educators and performed at many official functions. Following his time as a classroom teacher, David worked on the Metropolitan East Instrumental Project where he was involved in setting up bands, while training teachers how to lead their ensembles.

He is continually called upon to organise and present in-service courses on many aspects of organising and running school music programs. These courses have been presented for the NSW Department of School Education, private schools, and the Australian Band and Orchestra Directors Association (ABODA).

David's other musical experience includes administering the Pan Pacific Music, Dance, Choral, and Jazz Camps for the past twelve years.

He is currently Vice-President of the NSW branch of ABODA.

David has been principal band conductor for the Metropolitan East Music Festivals and tutor for the Sydney Schools Symphony Orchestra. David works closely with Studio 19 Sydney in providing musical instrument solutions to schools throughout NSW. He is at present on leave from the Department of Education, and is travelling for the Australian Academy of Music, assisting in the development of band programs.

The organisers and hosts sincerely thank Studio 19 and P.M.A. Australia, for their support of the Tasmanian Bands League Festival of Schools Bands.
