PRESIDENT'S MESSAGE

I would like to take this opportunity to welcome all bands, supporters and visitors to the 1992 Tasmanian Bands Championship. The entries are satisfactory, even though it is disappointing to have only one Concert Band interested in competing. Efforts are still being vigorously pursued in an endeavour to interest more Concert Bands in the activities of the League.

The Organising Committee have worked hard to make the Championships a success but this can only be achieved by the support and co-operation of Bands and Officials. The task of creating a schedule that will suit everyone is a daunting one, and I must express my appreciation of the many working hours put in by Stuart Third in organising the complex programme.

The League is also indebted to Brooks High School for use of their facilities, which, I think should prove satisfactory for all facets of the Championships. It is like old times, being once more associated with the School and the new environs should allow for an enjoyable day.

May I wish all who participate the very best of good luck, use this as a prelude to the Australian Championships to be held in Launceston during Easter 1993.

A. H. TUCKER

President,

As an extra curricular activity, Bruce taught brass in many schools around the Warragul district.

Over the past fifteen years, he has been on or organised at least one Music Camp per year, either with the Victorian Bands League or the Gippsland Band Group.

Bruce has worked with the Victorian State Youth (Brass) Band and is currently Musical Director of the Warragul Municipal Band, Warragul Municipal Junior Band and the Warragul Brass Ensemble.

The President of the Tasmanian Bands League would like to express appreciation to all who have assisted in the organisation and running of the Championships. Special thanks to Brooks High School for the use of their facilities and especially to Judy Tankard in her capacity as Canteen Manager.
