FROM THE DESK OF THE PRESIDENT:

On behalf of the Tasmanian Bands League, I welcome all members of the banding fraternity to the Jubilee State Band Championships.

It is fifty years since the League was formed. Throughout this period, contesting has been the cornerstone of the organisation's operations. The regular success of Tasmanian bands in interstate contests, such as Ballarat, and at the national level, reflects the efforts of this State's administrators, past and present. The programming of an 'A' grade section in this year's Championship in some ways acknowledges our "coming of age".

I wish all competing bands the best of luck and hope that your performances today give you a sense of having done your best. May your results reflect the effort you have put into preparation for today's event.

The League's thanks go to the City of Launceston Brass for organising this year's contest, the adjudicators - Major Eric Anderson, Ted Hicks and Allan Tucker, and all those who have helped to make today's event happen. The continuing efforts of the League Secretary, Peter Calcraft, must also be mentioned.

Whether you are a playing member, administrator, helper or supporter, I thank you for your participation. The strength of the band movement of the future depends on your continued involvement.

David Peters
