A MESSAGE FROM THE PRESIDENT

On behalf of the Tasmanian Bands League, I welcome all members of the banding fraternity to the 1999 State Band Championship, the last of the current millennium.

In doing so, may I congratulate the League's Vice-President (South) Michael Rundle, and the recently appointed Secretary of the League, Mrs Wendy Martin, on their efforts in organising the event. It is the first time that the Championships have been held in the City of Hobart for almost thirty years, having been held in the same venue in 1970. We are privileged to have the use of the Hobart Town Hall and the opportunity to march through the Central Business District of the State's capital.

I wish all competing bands, the best of luck and hope that your performances today give you a sense of having done your best. May your results reflect the effort you have put into preparation for today's event.

For the first time it has been agreed that all States of Australia will use a common Test piece for C Grade and D Grade Brass sections. Both compositions were commissioned specifically for the 1999 Championships. The League commends the National Band Council of Australia and the promoter, Muso's Media, for this initiative which also showcases works by Australian composers.

It is a particular honour to acknowledge the presence of the League's Patron, His Excellency, the Governor of Tasmania, Sir Guy Green, who has kindly consented to present the trophies at the conclusion of the Championships. The company of the Lord Mayor of Hobart, Alderman Rob Valentine, to accept the salute during the Street March is warmly welcomed.

Whether you are a playing member, administrator, helper or supporter, I thank you for your participation. The strength of the band movement of the future depends on your continued involvement.

D H Peters
PRESIDENT
