WELCOME

It is with pleasure that I am able to extend a special welcome to all participants involved in the Tasmanian Band Championships held this weekend.

It is also pleasing that stage one of our Memorial Hall and Performing Arts Centre upgrade has been completed in time for this wonderful event.

Music and dance are synonymous with, and integral to, the survival of many societies and cultures. The zest and vitality of local communities can often be measured and reflected in the sounds and enthusiasm of its local band.

Latrobe is fortunate to have the oldest Federal Band in Australia, having been in existence for 133 years. One can only imagine the tremendous number and variety of community events at which the Band has played over that period.

For many Tasmanian communities, band music has the capacity to lift the spirits, engage audiences of all ages and retell the music of ages past and present.

May all band members be pleased with their performances, take time to reacquaint with other musicians and enjoy the friendly atmosphere of our town and community. Welcome, have fun and take care.

Warm regards

*Mike Gaffney
Mayor of Latrobe*

A MESSAGE FROM THE PRESIDENT

On behalf of the Tasmanian Bands League, I welcome all members of the banding fraternity to the 2005 State Band Championships.

I wish all competing bands the best of luck and hope that your performance this weekend gives you a sense of having done your best. May your results reflect the effort you have put into the preparation for this event.

The League's thanks go to Geoff Brown and his helpers from the Latrobe Federal Band for organising this year's contest and trust that they will derive much satisfaction from the culmination of many months planning and effort.

To the adjudicators - Major Graham Lloyd, Bruce Lamont and members of the Drill Advisory Board - and all those who have contributed in some way to making this weekend's events happen, the League is also most grateful. The continuing efforts of TBL Secretary, Wendy Martin, must be specifically mentioned.

Whether you are a playing member, administrator, helper or supporter, I thank you for your participation. The strength of the band movement of the future depends on your continued involvement.

David Peters
