WELCOME

It is with great pleasure that I am able to extend a special welcome to all participants involved in the Tasmanian Band Championships held this weekend in Latrobe.

I am assured that the Latrobe Memorial Hall will be a very suitable venue for the Championships.

Latrobe is very fortunate to have the oldest Federal Band in Australia, having been in existence for 136 years. One can only imagine the tremendous number and variety of community events at which the band has played over that period. In fact, if you include all of the bands in Tasmania, then it is difficult to measure the significant contribution they have made to their municipalities over the decades.

Music and dance are synonymous with, and integral to, the survival of many societies and cultures. The zest and vitality of local communities can often be measured and reflected in the sounds and enthusiasm of its local band.

For many Tasmanian communities, band music has the capacity to lift the spirits, engage audiences of all ages and retell the music of ages past and present.

May all band members be pleased with their performances, take time to reacquaint with other musicians and enjoy the friendly atmosphere of our town and community. Welcome, have fun and enjoy the moment!

Best wishes!

Mike Gaffney
MAYOR OF LATROBE
